Subject: Staffing Schedule contingency plan for ExxonMobile Mayflower spill

I am creating a contingency plan to have personnel over this weekend. If EPA cannot fund overtime for my current personnel in the field for this weekend's work, I plan to demobilize all EPA personnel on Friday, and I will be activating the USCG Strike Team today to fill our support ICS positions, beginning Thursday afternoon. As the FOSC, I cannot reduce our current oversight responsibilities as outlined in the NCP.
